-

1. Background and Supporting Information

1.1 In accordance with the constitution, the Cabinet must prepare a forward plan of the decisions, which it is to take during the period covered by the Plan. The Plan has to be produced each month.

1.2 The publication of the plan enables Scrutiny Committees to consider what decisions are going to be made by the Cabinet. The Scrutiny Committee can then decide whether it wishes to make any comments about any particular matter. The Cabinet will also wish to seek the views of the relevant Scrutiny Committee if there are important issues of policy which are being considered.

1.3 The Appendix sets out the forward plan for June to September 2002. Items of specific interest to the Education Scrutiny Committee are marked "E".
