Children's Centres	Following a report to the June 2007 meeting on Children's Centres the Committee asked for a further update report. The report to include an update on Phase 3 funding and outcomes, particularly in relation to the impact of Children's Centres on improving the start for children at primary school level.
Equalities and Diversity	Requested at November 2007 meeting. Report on the implementation of the actions around equalities and diversity
Special Education Needs funding	Item identified by Audit and Best Value Scrutiny Committee in November 2007 and request made to Children's Services Committee to receive a full report on this issue regarding the full impact that changes to the Special Educational Needs funding will have on children, schools and provision of services

5. Future items to include in the programme at a later date		
Item	Purpose of report	Proposed date
Autistic Spectrum Disorder	Report on the strategy and policy presented to the committee at September 2007 meeting. Members requested that action plan being developed to support the strategy be presented to the committee	
14-19 Agenda	Presentation on this at the Away day in October 2007. Members asked to be kept up to date on this as it develops. Members raised concerns at the away day about the capacity and skills of teachers and how transport issues across the county could have a detrimental effect on young people being able to access courses	
Outcomes for East Sussex Children	Presentation on global data sets on children in East Sussex against the 5 outcomes for children	
The combined Reintegration and Secondary Behaviour Support Service	The committee received an update report in March 2008 regarding recent developments in the Reintegration Service and the Secondary Behaviour Support Service following the reorganisation of them in April 2007. Further work was now being undertaken to combine these two services into one and members asked that feedback be provided to them on how this change of provision impacted on service users.	
Take up of school places	At the March 2008 committee meeting members asked that the current work being done on forecasting further pupil numbers across the county be brought to the committee in due course	
Reducing teenage pregnancies	The committee received a report in March 2008 regarding recent pregnancy date and key work aimed at reducing teenage pregnancy rates. Committee requested a further report to bring them up to date on outcomes from previous work in this area and details on additional work that has been done. Particular issues to be covered: work in rural areas, work in schools and with parents and work by the PCTs. Key question to be addressed will be how this work has impacted on teenage pregnancy figures	March 2009
Common Assessment Framework	This will be fully implemented in April 2008 and will potentially be a big lever for change. There is concern though that it could create a big demand for services. Committee to look at the Framework and the impact that it has had on officers, clients and services, after it has been in place for a year	June 2009
