

Transport and Environment Scrutiny Committee Future work at a glance

November 2010

Please note that this list is correct at the time of writing but may be subject to change. The order in which items are listed does not necessarily reflect the order they will appear on the final agenda for the meeting.

<i>Issue</i>	<i>Objectives and summary</i>	<i>People providing evidence</i>
Standing items appearing at every meeting of the committee		
Announcements	To update the committee on any matter of significant public or Member concern not on the agenda elsewhere. Significant achievements and threats are highlighted for information.	Director / Lead Member
Scrutiny work programme	<p>Highways maintenance re procurement project: Regular updates on progress with this project will be reported to the Committee. (To be added to the timetable of meetings when details are known)</p> <p>Replacement of trees on East Sussex highways / 2001 Trees and Woodlands Strategy – Cllr Lambert has requested the Committee to consider this item.</p>	
The Council's Forward Plan	The Council's Forward Plan is included on each committee agenda to enable Members to identify relevant issues for scrutiny. Options for handling issues include: briefing paper request; item on a future scrutiny committee agenda to consider specific questions; or an in-depth scrutiny review.	

Issue	Objectives and summary	People providing evidence
24 November 2010		
Passenger Transport area reviews – Hastings and Rother	Scrutiny considers reports on passenger transport area reviews during their development.	Roger Williams, Head of Transport Operations Neil Maguire, Passenger Transport Services Manager
Local Transport Plan (LTP) 3	To consider an interim report on the outcomes of the LTP consultations currently underway. This will include consideration of the draft Freight Strategy and Community Transport Strategy.	Jon Wheeler, Team manager – Transport Policy.
Road safety and KSI (Killed and seriously injured) statistics in East Sussex	To consider the report of the scrutiny review Board with its aim of: <ul style="list-style-type: none"> • understanding the perspectives of key partners, especially the police • gaining clarity about sources of funding for road safety improvement in East Sussex • finding sensible and clearly understood statistics and ‘stories’ support any strategy or actions to be taken • presenting road safety statistics in such a way to achieve ‘buy-in’ by the people of East Sussex • enabling the County Council to influence others and work effectively together as a partnership to ensure a joined-up approach • helping to ensure that the road casualty reduction strategy is clear about what is actually going to be done so that Members can ‘sell’ the plan and confidently justify the approach to interested parties in the community. 	Chairman, Cllr Stogdon
Joint waste management arrangements	To monitor progress against the 2009 Annual Audit and Inspection Letter recommendation to “ <i>Build on waste management arrangements and further develop partnership working to ensure buy-in to a joint approach to maximise efficiency and increase recycling.</i> ”	Andy Robertson, Assistant Director, Transport and Environment

9 March 2011		
Reconciling policy and resources (RPR)	To review scrutiny's impact on RPR and to make recommendations for future improvements.	Paul Dean, Scrutiny Manager
Flood Risk Regulations	To consider the <i>Preliminary Flood Risk Assessment (PFRA)</i> to ensure that it meets the required quality and consistency standards prior to submission to the Environment Agency by June 2011.	Nick Claxton, Flood Risk Management Officer
Parking Strategy in East Sussex	To review whether the intended outcomes from current parking schemes have been achieved, especially: <ul style="list-style-type: none"> • traffic and environmental benefits • civil parking enforcement • economic development benefits and impact on businesses. 	Roger Williams, Head of Transport Operations
6 June 2011		
Bus Strategy and Community Transport	16 June 2010: Committee considered the latest position on implementation of the community transport and bus strategies. The Committee will focus on the sustainability of community transport schemes, in particular: <ul style="list-style-type: none"> • actual costs per passenger journey for each scheme • numbers of people using each scheme • the viability of taxi vouchers as an alternative to the more costly schemes • an indication of the success of advertising and marketing of the schemes. 	Roger Williams, Head of Transport Operations Neil Maguire, Passenger Transport Services Manager
Winter Service	To consider the six-month monitoring report on progress with the Committee's recommendations.	Karl Taylor Assistant Director (Operations), Transport & Environment; Dale Foden (Head of Highway Operations)
