

EAST SUSSEX COUNTY COUNCIL'S FORWARD PLAN

The Leader of the County Council is required to publish a forward plan setting out matters which the Leader believes will be the subject of a key decision by the Cabinet or individual Cabinet member in the period covered by the Plan (the subsequent four months). The Council's Constitution states that a key decision is one that involves

- (a) expenditure which is, or the making of savings which are, significant having regard to the expenditure of the County Council's budget, namely above £500,000 per annum; or
- (b) is significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions.

As a matter of good practice, the Council's Forward Plan includes other items in addition to key decisions that are to be considered by the Cabinet/individual members. This additional information is provided to inform local residents of all matters to be considered, with the exception of issues which are dealt with under the urgency provisions.

For each decision included on the Plan the following information is provided:

- the name of the individual or body that is to make the decision and the date of the meeting
- the title of the report and decision to be considered
- groups that will be consulted prior to the decision being taken
- a list of other appropriate documents
- the name and telephone number of the contact officer for each item.

The Plan is updated and published every month on the Council's web-site two weeks before the start of the period to be covered.

Meetings of the Cabinet/individual members are open to the public (with the exception of discussion regarding reports which contain exempt/confidential information). Copies of agenda and reports for meetings are available on the web site in advance of meetings. For further details on the time of meetings and general information about the Plan please contact Andy Cottell at County Hall, St Anne's Crescent, Lewes, BN7 1SW, or telephone 01273 481955 or send an e-mail to andy.cottell@eastsussex.gov.uk.

For further detailed information regarding specific issues to be considered by the Cabinet/individual member please contact the named contact officer for the item concerned.
