27 November 2014		

Potential future scrutiny issues

Issue	Objectives / Evidence	People / HOSC timescale
Notice served on ESHT community services	HOSC needs to understand: which services are included / what this means regarding continuity of services /other impacts	July 2014 update
Challenged Health Economy Approval of the Full Business Case (from the Clinical Strategy)	HOSC has sought to understand the reasons for delays in the approval of the capital investment by the TDA. There is a further delay due to East Sussex being declared a "Challenged Health Economy".	July 2014 update
Musculoskeletal (MSK) services.	This is described by the CCGs as "a procurement with some service development, not a major service reconfiguration". The commercial procurement exercise is expected to conclude late July/early August 2014.	September 2014

Documents circulated for information

This table lists significant documents/briefings which have been circulated to the Committee since the last HOSC meeting, or which remain 'active' because further action is anticipated.
