

GOVERNANCE COMMITTEE – 13 JULY 2021

Agenda item 6 – Assessment of the Corporate Governance Framework and Annual Governance Statement for 2020/21

Post meeting update

1. At the Governance Committee meeting held on 13 July 2021, the Committee approved the Annual Governance Statement (AGS). One of the appendices was the report on separate bodies that the Council has set up or which it owns. For the purposes of the AGS the Council interprets this as those bodies which are a separate legal entity (e.g. a company) which the Council is a member or has appointed a Member or officer as a Director.

Annex B to Appendix A (page 23 of the agenda pack) of the report included the following in relation to Sea Change Sussex (the trading name of East Sussex Energy Infrastructure and Development (ESEID) Ltd):

“The County Council alongside Rother District Council and Hastings Borough Council have a 19.9% voting right in ESEID Limited company. The University of Brighton have a 30.1% voting right and local businesses the remaining 50%.”

This was incorrect.

The membership of the company is:

- Hastings, Bexhill and East Sussex Business Association Ltd 50%
- East Sussex County Council, Rother District Council, Hastings Borough Council 19.9%
- A member that represents the educational sector in the region 19.9%
- Voluntary Sector 10.2%

This was reported to the Committee at the Committee’s meeting on 30 September 2021 and the Committee agreed that the AGS in the Statement of Accounts be amended to reflect the above.

2. Following the Committee’s meeting in July 2021, it became apparent that information regarding Hastings and Bexhill Renaissance Ltd (a company which the Council is a Member of, and to which Councillor Bennett has been appointed as a Director) should have been included in the list of bodies that the Council has set up or which it owns (to be inserted after page 27 of the agenda pack). At its meeting in September 2021 the Committee agreed that the following be included the AGS to in the published Statement of Accounts:

Hastings and Bexhill Renaissance Ltd (HBRL) – This is a non-profit organisation offering business support services for economic development and to improve local education
