

MINUTES

EAST SUSSEX COUNTY COUNCIL

MINUTES of a MEETING of the EAST SUSSEX COUNTY COUNCIL held at Council Chamber, County Hall, Lewes on 6 FEBRUARY 2018 at 10.00 am

Present Councillors John Barnes MBE, Matthew Beaver, Colin Belsey, Nick Bennett, Bill Bentley, Phil Boorman, Bob Bowdler, Tania Charman, Charles Clark, Martin Clarke, Godfrey Daniel, Philip Daniel, Angharad Davies, Chris Dowling, Claire Dowling, Stuart Earl, Simon Elford, David Elkin, Nigel Enever, Michael Ensor (Chairman), Kathryn Field, Gerard Fox, Roy Galley, Keith Glazier, Darren Grover, Carolyn Lambert, Tom Liddiard, Laurie Loe, Carl Maynard, Ruth O'Keeffe MBE, Peter Pragnell (Vice Chairman), Pat Rodohan, Phil Scott, Jim Sheppard, Daniel Shing, Stephen Shing, Alan Shuttleworth, Rupert Simmons, Andy Smith, Bob Standley, Richard Stogdon, Colin Swansborough, Barry Taylor, Sylvia Tidy, David Tutt, John Ungar, Steve Wallis, Trevor Webb and Francis Whetstone

46 Minutes of the meeting held on 5 December 2017

46.1 RESOLVED – to confirm the minutes of the previous meeting of the County Council held on 5 December 2017 as a correct record.

47 Apologies for absence

47.1 An apology for absence was received from Councillor Sarah Osbourne

48 Chairman's business

NEW YEAR'S HONOURS

48.1 On behalf of the Council the Chairman congratulated all who lived or worked in East Sussex who had been recognised in the New Year's Honours.

ROB CROSS

48.2 On behalf of the Chairman also congratulated Rob Cross from Hastings who won the World Darts Championship in January.

CHAIRMAN'S ACTIVITIES

48.3 The Chairman reported that he had attended a number of engagements since the last meeting including: the Mayor of Seaford's carol service, the Mayor of Brighton's civic Christmas service and a carol concert at Beacon Academy. The Chairman also hosted a Christmas reception and attended a Holocaust memorial service and a Citizenship ceremony. The Vice Chairman also attended a number of events including the St John's Ambulance Service carol service and a service at Arundel Cathedral.

MINUTES

CHINESE NEW YEAR

48.4 The Chairman reported that the Chinese New Year begins on 16 February and wished all a happy Chinese New Year.

PRAYERS

48.5 The Chairman thanked the Reverend Stuart Davison, Regional Minister for the Baptist Union, South East Association for leading the prayers before the meeting.

PETITIONS

48.6 The Chairman informed the Council that immediately before the meeting the following petitions had been received:

Councillor O’Keeffe	- calling on the County Council to save the small fenced area at the far end of the former Pells School site, Lewes for continued use as a Forest School area
---------------------	---

Councillor Whetstone	- calling on the County Council to grant permission for the siting of 2 signs on the approaches to the A22 junction with the Forest Way.
----------------------	--

Councillor Whetstone	- calling on the County Council to save the Forest Row household waste recycling site
----------------------	---

49 Questions from members of the public

49.1 Copies of the of the questions asked by Esme Needham from Hastings, Peter Newell from Lewes, Zuher Panju from the East Sussex Stroke Association, Maria Litchfield from the East Sussex Stroke Association, Dirk Campbell from Lewes, Emma Richardson from the East Sussex Stroke Association, Julia Hilton from Hastings, Fran Witt from Lewes, Gabriel Carlyle from St Leonards on Sea, Kim Golding from the East Sussex Stroke Association, Patricia Patterson-Vanegas from Forest Row, Sarah Bray from Southdown Housing Association, Lewes, Richard Pike from Forest Row, Nicholas Swift from Forest Row and Tara Galloway from the East Sussex Stroke Association and the answers from Councillor Maynard (Lead Member for Adult Social Care and Health) and Councillor Stogdon (Chair of the Pension Committee) are attached to these minutes. Supplementary questions were asked and responded to.

50 Declarations of Interest

50.1 The following member declared a personal interest in items on the agenda as follows:

Member	Position giving rise to interest	Agenda item	Whether interest was prejudicial
Councillor Boorman	Volunteer with the Stroke Association	Cabinet report, paragraph 2	No

51 Reports

51.1 The Chairman of the County Council, having called over the reports set out in the agenda, reserved the following paragraphs for discussion:

MINUTES

Cabinet	- paragraphs 1, 2 and 5
Lead Member for Transport and Environment	- paragraph 1

NON-RESERVED PARAGRAPHS

51.2 On the motion of the Chairman of the County Council, the Council ADOPTED those paragraphs in the reports of the Committees that had not been reserved for discussion as follows:

Cabinet report paragraph 3 – Council Monitoring 2017/18 Quarter 3
Cabinet report paragraph 4 – Annual Progress Report for Looked After Children's Services
Cabinet report paragraph 6 – Annual Audit Letter
Governance Committee report paragraph 1 – Revisions to Procurement Standing Orders
Governance Committee report paragraph 2 – Amendment to Constitution – Scheme of Delegation to Officers
Governance Committee report paragraph 3 – Amendment to Constitution - Motions
Governance Committee report paragraph 4 – Terms of Reference of Governance Committee and Quarterly Monitoring

52 Report of the Cabinet

Paragraph 1 (Treasury Management Policy and Strategy) and Paragraph 5 (Conservators of Ashdown Forest Budget)

52.1 Councillor Glazier moved the reserved paragraphs (paragraphs 1 and 5) of the Cabinet's report.

52.2 The motions were CARRIED after debate

Paragraph 2 –Reconciling Policy, Performance and Resources

52.3 Under Standing Order 23, the Council agreed that the speeches of the Leaders of the five groups (or their nominees) on paragraph 2 of the Cabinet's report should be extended beyond five minutes.

52.4 Councillor Elkin moved the adoption of paragraph 2 of the Cabinet's report.

52.5 The following amendment was moved by Councillor Tutt and seconded:

Delete paragraph 2.53 of the Cabinet's report and replace with:-

(1) approve, in principle, the draft Council Plan at Appendix 6 and authorise the Chief Executive to finalise the Plan in consultation with the relevant Lead Members;

(2) approve the net Revenue Budget estimates totalling £371.3m for 2018/19 as set out in Appendices 4 (Medium Term Financial Plan) and 5 (Budget Summary) and authorise the Chief Operating Officer, in consultation with the Chief Finance Officer, Leader and Deputy Leader, to make adjustments to the presentation of the budget to reflect the final settlement and budget decisions with the following amendments

- 1. Reinstate savings proposed for Older People Services: Review of Milton Grange and Firwood House Intermediate Care Services - £1,232,000*
- 2. Reinstate savings proposed for Assessment & Care Management - £1,958,000*
- 3. Reinstate savings proposed for Supporting People: Accommodation and Building Services - £800,000*

MINUTES

4. Reinstate savings proposed for Carers - £422,000
5. Reinstate savings proposed for the Stroke Association - £79,000
6. Reinstate savings proposed for Early Help (noting that the target for 2018/19 was to be temporarily mitigated from reserves) - £1,561,000
7. Reinstate savings proposed for Home to School Transport - £567,000
8. Partially reinstate savings proposed for closure of seven libraries - £350,000
9. Partially reinstate savings proposed for grass cutting - £200,000

Total of proposed revenue amendments - £7,169,000

To be funded by:

10. Reduce Venue Hire budgets - £95,000
11. Reduce staffing budgets by a vacancy factor of 2.5% - £3,535,000
12. Reduce Business Services/Orbis budget - £200,000
13. Reduce Property Maintenance budget - £50,000
14. Reduce Communications budget - £500,000
15. Reduce Senior Management & Organisational Development (SMOD) operational budget - £87,700
16. Reduce Senior Management & Organisational Development (SMOD) external legal services budget - £50,000
17. Remove Core Maintenance budget and replace with Parking Surplus - £150,000
18. Reduce budget for Waste - £300,000
19. Reduce Cultural Strategy budget - £40,000
20. Reduce revenue contribution to capital from £4.0m to £3.4m - £561,900
21. Less cost of borrowing for reducing revenue contribution to capital - (£100,600)
22. Use annuity method to calculate the Minimum Revenue Provision - £1,600,000
23. Set target income for impact of new short term investment strategy - £100,000

Total of proposed revenue funding amendments - £7,169,000

24. Additionally, to ring-fence £1.0m from the Priority Outcomes & Transformation Reserve to fund a transformation and restructuring programme.

(3) *in accordance with the Local Government Finance Act 1992 to agree that:*

- (i) *the net budget requirement is £371.3m and the amount calculated by East Sussex County Council as its council tax requirement (see Appendix 6) for the year 2018/19 is £276.7m*
- (ii) *the amount calculated by East Sussex County Council as the basic amount of its council tax (i.e. for a band D property) for the year 2018/19 is £1,393.11 and represents a 5.99% (3% of which relates to the Adult Social Care precept) increase on the previous year;*

(4) *advise the District and Borough Councils of the relevant amounts payable and council tax in other bands in line with the regulations and to issue precepts accordingly in accordance with an agreed schedule of instalments as set out at Appendix 9;*

(5) *approve the fees and charges set out in Appendix 8 and delegate authority to the Chief Finance Officer to approve an increase to all other fees and charges by up to 2%;*

(6) *approve the Capital Programme for 2017 – 2023 as set out at Appendix 10;*

(7) *note the Medium Term Financial Plan forecast for the period 2018/19 to 2020/21 as set out in Appendix 4; and*

MINUTES

(8) note the comments of the Chief Finance Officer on budget risks and robustness as set out in Appendix 11;

(9) note the comments from the engagement exercises as set out in Appendix 12; and

(10) delegate authority to the Chief Finance Officer to set fees and charges for 2019/20 onwards and to report to Cabinet and County Council on those set at a level above inflation as part of the quarterly monitoring.

52.6 The Assistant Chief Executive reported that the Council must have regard to the report of the Chief Finance Officer but that the decision in relation to the budget rests with councillors.

52.7 The Chief Finance Officer informed the Council that he had a statutory duty to review and comment on the robustness of the estimates made for the purposes of the calculations. He reported that there was no model to allocate the proposed reduction in staffing budgets by a vacancy control factor and it was not clear how the proposal would be delivered and what impact there would be on services. The Chief Finance officer stated that he was not able to issue a statement of robustness in relation to the amendment.

52.8 A recorded vote on Councillor Tutt's amendment was taken. The amendment was LOST, the votes being cast as follows:

FOR THE AMENDMENT

Councillors Philip Daniel, Field, Grover, Lambert, Rodohan, Daniel Shing, Stephen Shing, Shuttleworth. Swansborough, Tutt, Ungar and Wallis

AGAINST THE AMENDMENT

Councillors Barnes, Beaver, Belsey, Bennett, Bentley, Boorman, Bowdler, Charman, Charles Clark, Martin Clarke, Godfrey Daniel, Davies, Chris Dowling, Claire Dowling, Earl, Elford, Elkin, Enever, Ensor, Fox, Galley, Glazier, Liddiard, Loe, Maynard, Pragnell, Scott, Sheppard, Simmons, Smith, Standley, Stogdon, Taylor, Tidy, Webb and Whetstone

ABSTENTIONS

Councillor O'Keeffe

52.9 The following amendment was moved by Councillor Webb and seconded:

Delete paragraph 2.53 of the Cabinet's report and replace with:-

(1) approve, in principle, the draft Council Plan at Appendix 6 and authorise the Chief Executive to finalise the Plan in consultation with the relevant Lead Members;

(2) approve the net Revenue Budget estimates totalling £371.3m for 2018/19 as set out in Appendices 4 (Medium Term Financial Plan) and 5 (Budget Summary) and authorise the Chief Operating Officer, in consultation with the Chief Finance Officer, Leader and Deputy Leader, to make adjustments to the presentation of the budget to reflect the final settlement and budget decisions with the following amendments

- 1. Reinstate savings proposed for Older People Services: Review of Milton Grange and Firwood House Intermediate Care Services - £1,232,000*
- 2. Reinstate savings proposed for the Stroke Association - £79,000*
- 3. Reinstate savings proposed for Ore library - £38,000*

Total of proposed revenue amendments - £1,349,000

MINUTES

To be funded by:

- 4. Reduce general contingency from 1% to 0.8% of net revenue budget excluding Treasury Management (with an increase of £2.1m in general fund from unallocated reserves to maintain robustness of the budget) - £700,000*
- 5. Reduce revenue contribution to capital - £790,000*
- 6. Less cost of borrowing for reducing revenue contribution to capital – (£141,000)*

Total of proposed revenue funding amendments - £1,349,000

(3) in accordance with the Local Government Finance Act 1992 to agree that:

- (i) the net budget requirement is £371.3m and the amount calculated by East Sussex County Council as its council tax requirement (see Appendix 6) for the year 2018/19 is £276.7m*
- (ii) the amount calculated by East Sussex County Council as the basic amount of its council tax (i.e. for a band D property) for the year 2018/19 is £1,393.11 and represents a 5.99% (3% of which relates to the Adult Social Care precept) increase on the previous year;*

(4) advise the District and Borough Councils of the relevant amounts payable and council tax in other bands in line with the regulations and to issue precepts accordingly in accordance with an agreed schedule of instalments as set out at Appendix 9;

(5) approve the fees and charges set out in Appendix 8 and delegate authority to the Chief Finance Officer to approve an increase to all other fees and charges by up to 2%;

(6) approve the Capital Programme for 2017 – 2023 as set out at Appendix 10;

(7) note the Medium Term Financial Plan forecast for the period 2018/19 to 2020/21 as set out in Appendix 4; and

(8) note the comments of the Chief Finance Officer on budget risks and robustness as set out in Appendix 11;

(9) note the comments from the engagement exercises as set out in Appendix 12; and

(10) delegate authority to the Chief Finance Officer to set fees and charges for 2019/20 onwards and to report to Cabinet and County Council on those set at a level above inflation as part of the quarterly monitoring.

52.10 A recorded vote on Councillor Webb's amendment was taken. The amendment was LOST, the votes being cast as follows:

FOR THE AMENDMENT

Councillors Charman, Godfrey Daniel, Philip Daniel, Field, Grover, Lambert, O'Keeffe, Rodohan, Scott, Daniel Shing, Stephen Shing, Shuttleworth, Swansborough, Tutt, Ungar, Wallis and Webb

AGAINST THE AMENDMENT

Councillors Barnes, Beaver, Belsey, Bennett, Bentley, Boorman, Bowdler, Charles Clark, Martin Clarke, Davies, Chris Dowling, Claire Dowling, Earl, Elford, Elkin, Enever, Ensor, Fox, Galley, Glazier, Liddiard, Loe, Maynard, Pragnell, Sheppard, Simmons, Smith, Standley, Stogdon, Taylor, Tidy, and Whetstone

53 Report of the Lead Member for Transport and Environment

53.1 Councillor Bennett moved the reserved paragraph in the report of the Lead Member for Transport and Environment.

53.2 The following amendment moved by Councillor Philip Daniel and seconded was LOST:

(1) (delete) ~~not to agree the Notice of Motion as set out in paragraph 1.1; and~~

(insert) The County Council to note –

- The damage done to many smaller roads, especially in villages and rural areas, by Heavy Goods Vehicles (HGVs) using roads that are too small for them;
- The work done by the Local Government Association to highlight this problem; and
- That HGV (lorry) satellite navigation systems (sat-navs) are similar to normal car sat-navs but with the inclusion of bridge heights, narrow roads, and roads unsuitable for HGVs;
- That, in addition, HGV sat-navs allow the driver to enter the lorry's dimensions – height, width, length, weight and load – so that the HGV is guided only along suitable roads.

This Council calls for:

- (1) the Government to legislate so all HGVs and large vehicles install suitable sat-navs designed for lorries; and
- (2) The Chief Executive to write to the Secretary of State for Transport to support the mandatory use of suitable sat-navs designed for lorries

~~(delete) (2) to agree that the Lead Member, in consultation with the Director of Communities, Economy and Transport and the Motion's proposer, writes on behalf of the County Council to the Secretary of State for Transport to highlight the issues and impacts that local authorities and local communities in our rural areas are facing as a result of the damage caused by HGVs to our minor road network~~

53.3 The following motion was moved by Councillor Bennett and CARRIED:

(1) not to agree the Notice of Motion as set out in paragraph 1.1 of the report; and

(2) to agree that the Lead Member, in consultation with the Director of Communities, Economy and Transport and the Motion's proposer, writes on behalf of the County Council to the Secretary of State for Transport to highlight the issues and impacts that local authorities and local communities in our rural areas are facing as a result of the damage caused by HGVs to our minor road network

Councillor Stephen Shing	Councillor Bennett	Damage to grass verges by vehicles
Councillor Whetstone	Councillor Bennett	Disposal of cardboard cups

WRITTEN QUESTIONS PURSUANT TO STANDING ORDER 44

54.2 There were no written questions from Councillors.

THE CHAIRMAN DECLARED THE MEETING CLOSED AT 2.45 pm

The reports referred to are included in the minute book

QUESTION FROM MEMBERS OF THE PUBLIC

1. Question from Esme Needham, Hastings, East Sussex

The World Bank has recently announced that it will stop investing in oil and gas projects from 1 April 2018. Likewise, Norway's central bank – which manages the country's \$1 trillion Sovereign Wealth Fund – has recently announced that it will be ditching its holdings in oil and gas, and New York City's five pension funds – with \$189 billion of assets – will be divesting from fossil fuels over the next five years. Given these developments, will the East Sussex Pension Fund review its current policy of "engagement" with the likes of Shell, Exxon and BP, and follow the lead being set by New York City?

Response by the Chair of the Pension Committee

The East Sussex Pension Committee reviewed its Investments Beliefs document at its last quarterly meeting, on 27 November 2017. It amended its first belief to read: 'Climate change presents a financial risk to the future investment returns from the East Sussex Fund. However, the impacts of climate change on the returns from the Fund in the future are unknown and the Fund will continue to monitor the risk associated with investment in fossil fuels'.

The Pension Committee continually keeps under review its policy on Environmental, Social and Governance (ESG) and this is included in the Investment Strategy Statement (ISS) which will be reviewed at its next quarterly meeting on 26 February. The Fund will continue to engage with the investment fund managers, through its ownership of assets and will continue to receive support via the LAPFF

2. Question from Peter Newell, Lewes, East Sussex

Is the Pension Committee aware of the recently-launched Lofoten Declaration – signed by over 220 organisations from 55 countries – which recognises 'the need for immediate and ambitious action to stop exploration and expansion of fossil fuel projects and manage the decline of existing production in line with what is necessary to achieve the Paris climate goals'?

Response by the Chair of the Pension Committee

The East Sussex Pension Committee welcomes the Lofoten Declaration to raise awareness of the need to manage the decline of existing production in line with what is necessary to achieve the Paris climate goals.

3. Question from Zuher Panju, Stoke Association, East Sussex

Will there be any services available for stroke survivors that are accessible to local residents and that will have a stroke focus in place of the Stroke Association if the budget proposals are agreed by the Council?

Response by the Lead Member for Adult Social Care and Health

The proposed cuts by the County Council are 50% of the total funding to the current service provided by the Stroke Association's Stroke Recovery Service. The three

MINUTES

Clinical Commissioning Groups (CCGs) in East Sussex fund the other 50% of the service. This means that whilst the service may be reduced there will still be voluntary sector stroke specific services available to stroke survivors and their carers.

No final decision about the funding of this service will be made until a consultation has taken place. As part of this consultation process, which will be undertaken jointly with the CCGs, we will identify which elements of the current service have the greatest impact so that these are maintained as part of a reduced service. We are also asking stroke survivors and their carers to tell us about other services which they know about that provide stroke-specific services and this will help inform our Equality Impact Assessment.

In addition both East Sussex Healthcare Trust and Sussex Community Foundation Trust provide stroke rehabilitation services in the community. Stroke rehabilitation beds are commissioned at Bexhill Irvine Unit and Sussex Rehabilitation Centre. The County Council also, subject to eligibility, supports stroke survivors and their carers through care packages and Direct Payments.

There are also a number of commissioned and non-commissioned services for all people needing help in East Sussex that can provide information and support services to stroke survivors and their carers.

4. Question from Maria Litchfield, Stroke Association, East Sussex

What is the rationale for cutting funding to the Stroke Association service which only 1 year ago gained a new contract because it was deemed to be delivering positive outcomes for stroke survivors?

Response by the Lead Member for Adult Social Care and Health

The County Council is fully committed to doing the very best it can to support and protect vulnerable people, but the hard truth is we have to do that with falling funding and rising demand. After several years of budget reductions we are therefore faced with difficult choices and have to prioritise funding for services that enable us to meet our statutory duties to those with critical and substantial care needs. As a consequence we have no alternative but to consider reductions in the funding of preventative provision, including highly valued services such as those provided by the Stroke Association.

If the County Council does agree to seek savings in this area, we will consult all those affected by the proposal before any final decision is made to make changes to these services. We will also work with the Stroke Association, if the final decision is to remove funding, to ensure the remaining NHS resources are focused on those areas which will most benefit people that need support.

5. Question from Dirk Campbell, Lewes, East Sussex

On 5 December 2017 Councillor Stogdon stated that 'there is no local authority pension fund in this country which has adopted the policy which the questioner suggests (i.e. divesting from fossil fuels) and for very good reason.' In fact both Waltham Forest and Southwark pension funds have publicly committed to divesting from fossil fuels. What is the Pension Committee's position in the light of this fact?

Response by the Chair of the Pension Committee

The Pension Committee's fiduciary duty will always be to ensure that it has sufficient funds available to pay pensions when they fall due.

The East Sussex Fund is a member of LAPFF and receives regular reports and advice from them. The advice from LAPFF and also from the leading ESG policy maker within the LGPS, the Environment Agency Pension Fund, is not to divest from fossil fuel investments but to engage with companies.

The Fund does not comment on the investment decision of others

6. Question from Emma Richardson, Stroke Association East Sussex

How will you ensure that hard to reach groups/ individuals with communication difficulties are truly heard in the consultation regarding Adult Social Care savings proposals?

Response by the Lead Member for Adult Social Care and Health

The stroke specific part of the consultation survey is being designed using aphasia guidelines to ensure this is as accessible as possible. The survey will be posted to all current clients of the Stroke Recovery Service and clients will be offered help to complete this by the Stroke Association. We are also encouraging individuals to submit films or other forms of media if they do not wish to complete the survey.

In addition we are holding three consultation events in East Sussex which are specifically for stroke survivors and their carers and we are working with the Stroke Association to ensure these are accessible. At these events, Stroke survivors and their carers will have the opportunity to complete the survey and there will be additional support available if required.

7. Question from Julia Hilton, Hastings, East Sussex

According to an addition to the minutes of the September 2017 Pension Committee, agreed at last November's Pension Committee meeting, the Committee agreed to 'request that Hymans Robertson provide a report on whether there is a viable low carbon equity fund that could achieve the same or better rate of return compared to other passively managed equity funds.' When will this report be presented to the Pension Committee, and, when it is, will its contents be made public?

Response by the Chair of the Pension Committee

The Hymans Robertson paper on "Proposed equity allocations" was presented at the 27 November 2017 committee meeting, this included a section on low carbon equity funds, and the East Sussex Pension Fund approved the investment of a 5% allocation to UBS Climate Aware World Equity fund. The Committee has also commissioned a report to measure the Fund's carbon footprint. The provider for this measurement service will be Trucost and they will present to the next meeting of the Committee on 26 February.

8. Question from Fran Witt, Lewes, East Sussex

In answer to a supplementary question from the public on 5 December 2017, Councillor Stogdon refused to acknowledge that, were the East Sussex Pension Fund to divest from fossil fuels it 'would not be alone in doing so'. Indeed, Cllr Stogdon replied that 'the answer to this question is no fundamentally.'

How does Cllr Stogdon reconcile this response with the following list of institutions, all of which have made public commitments to fully divest from fossil fuels:

ALTIS, Alta Scuola Impresa e Società dell'Università Cattolica del Sacro Cuore, APRA/AMCOS, Abdij OLV van Nazareth, Abracadabra Retirement Fund, Abramowitz-Silverman Fund, Access Strategies Fund, Alingsås Government, All Souls Unitarian Universalist Church, Alleycat Super Fund, Alternative Bank Schweiz, American Ethical Union, American Public Health Association, Anderson Peters Super Fund, Anglican Church of Aotearoa, Anglican Diocese of Auckland, Anglican Diocese of Canberra and Goulburn, Anglican Diocese of Dunedin, Anglican Diocese of Melbourne, Anglican Diocese of Montreal, Anglican Diocese of Nova Scotia and PEI, Anglican Diocese of Perth, Anglican Diocese of Waiapu, Anglican Diocese of Waikato and Taranaki, Anglican Diocese of Wellington, Anglican Diocese of Ottawa, Archdiocese of Cape Town, Aria Foundation, The Arkay Foundation, Auckland Council, Australian Academy of Science, Australian Capital Territory, Australian Ethical, Australian Guild of Screen Composers, Australian Jesuit Province, Australian Religious Response to Climate Change (ARRCC), Ballina Shire Council, Banyule City Council, Barnegat Monthly Meeting, Barnett Super Wealthy Fund, Barry Family Super Fund, Bass Coast Shire, Bathurst Street United Church, Ben & Jerry's Foundation, Bendigo and Adelaide Bank Limited, The Betsy and Jesse Fink Foundation, Bewegungsstiftung, Bioregional, The Blumenthal Foundation, Booth Super Fund, Bordeaux, Bordeaux Métropole, Boston Church of the Covenant, MA, Both ENDS Foundation, Bournemouth University, Brevard College, Brighthelm Church and Community Centre, Brinstones Super, Bristol Quaker Area Meeting, British Medical Association, Broederlijk Delen, The Bullitt Foundation, Byron Shire Council, California Academy of Sciences, California Institute of the Arts, Canadian Medical Association, Canadian Unitarian Council (national), ON, Cardiff Metropolitan University, Catherine Donnelly Foundation, Catholic Action for Animals, Catholic Welfare and Development, Cecily Dignan Superannuation Fund, Center for Action and Contemplation, The Center for Humans & Nature, Center for International Environmental Law, Central Philadelphia Monthly Meeting of the Religious Society of Friends, Chalmers University of Technology, Chicago Medical Society, Chico State University, Children's Investment Fund Foundation, Chilterns Quaker Area Meeting, Chino Cienga Foundation, The Chorus Foundation, Christensen Foundation, Church of Sweden, Church of the Covenant, Presbytery of Boston, MA, Church of the Redeemer, Diocese of Newark, NJ, Citizens for Public Justice, City Council of Eindhoven, City of Albury, City of Amherst, MA, City of Ann Arbor, MI, City of Armadale, City of Ashland, OR, City of Ballarat, City of Bayfield, WI, City of Belfast, ME, City of Berkeley, CA, City of Berlin, City of Borås, City of Boulder, CO, City of Boxtel, City of Brisbane, CA, City of Cambridge, MA, City of Concord, MA, City of Copenhagen, City of Corvallis, OR, City of Dunedin, City of Eugene, OR, City of Framingham, MA, City of Fremantle, City of Frouzins, City of Great Barrington, MA, City of Göttingen, City of Hellemes, City of Ithaca, NY, City of Leichhardt, City of Lille, City of Lismore, City of Madison, WI, City of Malmö, City of Marrickville, City of Melbourne, City of Melville, City of Minneapolis, MN, City of Moreland, City of New London, CT, City of Newcastle, City of Northampton, MA, City of Oakland, CA, City of Odense, City of Oxford, City of Palo Alto, CA, City of Paris,

The East Sussex Fund is a member of LAPFF and receives regular reports and advice from them. The advice from LAPFF and also from the leading ESG policy maker within the LGPS, the Environment Agency Pension Fund, is not to divest from fossil fuel investments but to engage with companies.

The Fund does not comment on the investment decision of others.

9. Question from Gabriel Carlyle, St. Leonards on Sea, East Sussex

At 5 December 2017 Full Council meeting, the following facts were drawn to Councillor Stogdon's attention:

- 1) that, according to two recent reports by ShareAction, there is little or no evidence that Shell's board 'has grasped the growing pace of the low-carbon transition [or] its implications given directors' duties to protect shareholders' capital', and that Shell is 'not committed to a credible ... strategy' in line with a 2 degrees Celsius scenario;
- 2) that Shell's CEO has described the international community's commitment to limit global warming to well below 2 degrees Celsius, with an ambition for 1.5 degrees Celsius, as being in the "realm of the fantastic"; and
- 3) that Shell continues to be a member of several trade bodies that have taken obstructive positions on climate and energy policies (indeed, in 2016 it was estimated that Shell was spending at least \$22m a year on delaying and obstructing climate legislation – see <https://influencemap.org/report/Climate-Lobbying-by-the-Fossil-Fuel->

Sector)

Asked whether these facts actually made Shell 'a prime candidate for divestment', Cllr Stogdon replied, in toto, 'Chair the answer is no.'

Given the above realities, and the fact that, according to the best available analysis (http://2degreeseperation.com/reports/2D-of-separation_PRI-CTI_Summary-report.pdf), approximately 30 – 40% of Shell's upstream capex expenditure will be unneeded – and therefore unprofitable – in a 2 degrees Celsius scenario, why does the Pension Committee not believe Shell to be a prime candidate for divestment?

Response by the Chair of the Pension Committee

The East Sussex Pension Committee agrees with the need to manage the decline of existing production in line with what is necessary to achieve the Paris climate goals'.

The Pension Committee's fiduciary duty will always be to ensure that it has sufficient funds available to pay pensions when they fall due.

The Committee believes that the best way to achieve this is to engage with companies and as a member of LAPFF the committee receives regular reports and advice from them. The advice from LAPFF and also from the leading ESG policy maker within the LGPS, the Environment Agency Pension Fund, is not to divest from fossil fuel investments but to engage with companies.

10. Question from Kim Golding, Stroke Association, East Sussex

The meeting papers state: *A high level Equalities Impact Assessment (EqIA) of the revenue savings proposals has been undertaken and is set out in Appendix 7. Further EqIAs will be undertaken where appropriate before individual proposals are implemented* – What Equality impact assessment has been undertaken for stroke survivors in East Sussex in relation to the proposed funding reduction to the Stroke Association?

Response by the Lead Member for Adult Social Care and Health

If the County Council does agree to seek savings in this area, we will consult all those affected by the proposal before any final decision is made to make changes to these services. We will also undertake an Equalities Impact Assessment on the proposal. The outcome of the consultation and the Equalities Impact Assessment will then be considered as part of the decision making process.

11. Question from Patricia Patterson-Vanegas, Forest Row, East Sussex

I hear Councillor Stogdon asking for patience in his responses to the questions related to divestment from fossil fuels. I hear urgency in the questions asked to the County Council about divestment, given the fact that carbon contains financial risk and pensioners will pay the cost of any problems arising if the environmental lobby continues to gain momentum. I am always looking for ways forward.

Would it be possible for the ESCC to make a commitment to divestment by allocating a percentage of the fund to divestment as Southwark has done*? It might even be

MINUTES

possible to develop a view to increasing this percentage over a period of time in order to reduce the risk to pension holders.

* As a first step Southwark will move £150 million (10% of the total fund) into a [Blackrock Low Carbon Target Equity Fund](#). Southwark might be making this move in partnership with Hackney to help reduce management fees. Southwark is also looking at positive investment in Sustainable Infrastructure funds, including the Global Renewable Power Fund II (also by Blackrock) and Sustainable Opportunities (by Mercer).

Response by the Chair of the Pension Committee

The Hymans Robertson paper on “Proposed equity allocations” presented at the 27 November 2017 committee meeting, included a section on low carbon equity funds, and the East Sussex Pension Fund approved the investment of a 5% allocation to UBS Climate Aware World Equity fund. The Committee has also commissioned a report to measure the Fund’s carbon footprint. The provider for this measurement service will be Trucost and they will present to the next meeting of the Committee on 26 February.

12. Question from Sarah Bray, Southdown Housing Association, Lewes, East Sussex

How does the proposal to cut the funding for the Home Works service fit with the Council's responsibility under the Care Act to provide services that prevent, reduce and delay people's care needs becoming more serious, and does the Council fully appreciate the impact these cuts will have in terms of the number of safeguarding issues that will escalate without Home Works involvement, and how reducing the number of vulnerable people who are helped to secure stable housing and better manage their health and wellbeing will increase the number of people rough sleeping?

Response by the Lead Member for Adult Social Care and Health

The County Council is fully committed to doing the very best it can to support and protect vulnerable people, but the hard truth is we have to do that with falling funding and rising demand. After several years of budget reductions we are therefore faced with difficult choices and have to prioritise funding for services that enable us to meet our statutory duties to those with critical and substantial care needs. As a consequence we have no alternative but to consider reductions in the funding of preventative provision, including highly valued services such as those provided by Southdown Housing Association.

If the County Council does agree to seek savings in this area, we will consult all those affected by the proposal before any final decision is made to make changes to these services. As part of this work we will consider how the remaining Supporting People funding can best be used to ensure the Council’s Care Act responsibilities are met, risks of safeguarding concerns are minimised and resources are focused on those areas which will most benefit people that need support.

13. Question from Richard Pike, Forest Row, East Sussex

When a financial centre and city the size of New York, following the lead of Paris, Berlin, Sydney and Stockholm and, it is predicted, further US cities to follow, decides it cannot

MINUTES

continue to invest its pension funds in the fossil fuel industry, can the ESCC pension committee really justify continuing with an investment policy from a bygone age?

Response by the Chair of the Pension Committee

The Pension Committee's fiduciary duty will always be to ensure that it has sufficient funds available to pay pensions when they fall due.

The Fund does not comment on the investment decision of others

14. Question from Nicholas Swift, Forest Row, East Sussex

In light of the recent announcement by Lloyds of London, the world's oldest insurance market, that it will start to exclude coal from its investment strategy from 1 April 2018, and the fact that the East Sussex Pension Fund currently holds less than 0.09% of its current equity exposure in coal companies, will the East Sussex Pension Fund follow suit and make a commitment to excluding coal from its investment strategy from 1 April 2018?

Response by the Chair of the Pension Committee

The East Sussex Pension Committee agrees with the need to manage the decline of existing production in line with what is necessary to achieve the Paris climate goals'.

The Pension Committee's fiduciary duty will always be to ensure that it has sufficient funds available to pay pensions when they fall due.

The Committee believes that the best way to achieve this is to engage with companies and as a member of LAPFF the committee receives regular reports and advice from them. The advice from LAPFF and also from the leading ESG policy maker within the LGPS, the Environment Agency Pension Fund, is not to divest from fossil fuel investments but to engage with companies.

15. Question from Tara Galloway, Stroke Association, East Sussex

The Stroke Association's exercise programme sees patients independently walking by the end of its 10 week stroke specific course. In the absence of this course how will you ensure increased mobility for stroke survivors and prevention advice for further strokes?

Response by the Lead Member for Adult Social Care and Health

The proposed cuts by ESCC are 50% of the total funding to the current service provided by the Stroke Association's Stroke Recovery Service. The three Clinical Commissioning Groups in East Sussex fund the other 50% of the service.

No final decision about the funding of this service will be made until a consultation has taken place. As part of this consultation process which will be undertaken jointly with the CCGs, we will identify which elements of the current service have the greatest impact so that these are maintained as part of a reduced service. This will include specific questions in relation to the Stroke Association's exercise programme and the impact this has had on individuals. Until we have received all of those responses we are not

MINUTES

able to re-model the future service and therefore cannot decide whether the exercise programme will continue in the future.

The Equality Impact Assessment will look at all elements of the service and assess what mitigations may be in place if elements of the service no longer exist.

We are also currently exploring the piloting of exercise classes for people with long term conditions. If the pilot goes ahead these classes would be accessible and available for stroke survivors.
