## **LEAD MEMBER FOR STRATEGIC MANAGEMENT AND ECONOMIC DEVELOPMENT**

DECISIONS made by the Lead Member for Strategic Management and Economic Development, Councillor Keith Glazier, on 11 July 2017 at County Hall, Lewes

---

### 4 DECISIONS MADE BY THE LEAD CABINET MEMBER ON 27 JUNE 2017

4.1 The Lead Member confirmed as a correct record the minutes of the meeting held on 27 June 2017.

### 5 REPORTS

5.1 Reports referred to in the minutes below are contained in the minute book.

### 6 FUNDING AGREEMENT WITH EASTBOURNE BOROUGH COUNCIL - DEVONSHIRE PARK QUARTER REDEVELOPMENT

6.1 The Lead Member considered a report by the Director of Communities, Economy and Transport.

#### DECISIONS

6.2 RESOLVED to (1) approve grant funding, to the value of £5m to Eastbourne Borough Council to fund the delivery of the Devonshire Park Quarter redevelopment; and

(2) delegate authority to the Director of Communities, Economy and Transport to approve the terms of any agreements and to take all other necessary actions in respect of resolution 1 above.

#### Reasons

6.3 Devonshire Park Quarter in Eastbourne is a cultural and sporting town centre destination, in a key position linking the rail station and the sea front. It already enjoys success from an internationally recognised Tennis Centre, three theatres and a contemporary art gallery. The redevelopment of the area is critical to Eastbourne's ambitions for their visitor economy and conference offering and is in line with the East Sussex Growth Strategy and East Sussex Cultural Strategy.

### 7 LOCAL GROWTH FUND - 2016/17 FINANCIAL YEAR STATEMENT

7.1 The Lead Member considered a report by the Director of Communities, Economy and Transport.

#### DECISIONS

7.2 RESOLVED to (1) note the final 2016/17 spend for the Local Growth Fund programme and the amount of funds that were re-profiled into the East Sussex County Council Capital Programme, as per option 4 in the SE LEP Assurance Framework; and

(2) agree the final scheme profiles for the Local Growth Fund programme in the 2017/18 financial year.

#### Reasons

7.3 There has been slippage on spend in 2016/17, in most cases of a short term nature with spend occurring in the early quarters of 2017/18. A rigorous assessment of projects has been undertaken through our programme management approach which has led to a more realistic forecasting of spend profiles for the 2017/18 financial year.

**By:** Director of Communities, Economy and Transport

**Title:** Joint Waste and Recycling Committee and Constitution

**Purpose:** To approve the formation of the Joint Waste & Recycling Committee

---

**RECOMMENDATIONS:** The Lead Member is recommended to:

  - 2) approve the formation of the Joint Waste and Recycling Committee and adopt its Constitution at Appendix 2;
  - 3) agree that the existing East Sussex County Council member and substitute for the Joint Waste Committee be nominated as member and substitute for the new Joint Waste and Recycling Committee; and

- 

## 1. Background

1.1 In 2011 Eastbourne Borough Council (EBC), Hastings Borough Council (HBC), Rother District Council (RDC), Wealden District Council (WDC) and East Sussex County Council (ESCC) approved the setting up of a Joint Waste Committee (JWC) in order to procure a single Joint Waste Contract which was awarded to Kier Services Limited and started in April 2013. This Contract will end on 28 June 2019.

1.2 In 2016, the JWC began to consider possible options for the delivery of services and future role of the JWC from 2019. Lewes District Council (LDC) began to attend the JWC in a co-opted role without voting rights from April 2016. This meant that all the East Sussex Waste Collection Authorities and the East Sussex Waste Disposal Authority are aware of and have had opportunity to participate in waste related matters as they developed through 2016/17.

1.3 The Councils have confirmed their positions with regard to the joint procurement of a new Contract to start on 29 June 2019. HBC, RDC and WDC have resolved to participate in the procurement project. EBC has resolved to withdraw from the East Sussex Joint Waste Partnership and work with LDC to develop joint services across Eastbourne and Lewes. Officers subsequently advised that both EBC and LDC wish to be named on the OJEU notice for potential future access to the Contract by variation (although this was not a specific resolution by either Cabinet).

## 2. Joint Waste Committee and Constitution

2.1 Attached at Appendix 1 is an amended constitution for the JWC. The amendments are underlined for easy reference and clarify that the JWC is established to manage and oversee the Contract which was entered into.

2.2 Attached at Appendix 2 is a Draft Constitution for the JWRC. This Constitution differs from the JWC Constitution only in terms of voting rights and the provision to succeed the JWC from June 2019. Again, the differences are underlined for easy reference. The Constitution is therefore recommended for approval that will convey the executive powers from each authority to this JWRC to progress procurement of the future delivery of service. Each Council is therefore being asked to adopt the Constitution and to appoint Council representatives (and substitutes), preferably the same Members who are already members of the JWC. ESCC has one member on the JWC.

2.3 EBC and LDC are invited to attend the new Joint Waste and Recycling Committee in a co-opted role without voting rights.

## 3. Conclusion and Reason for recommendation

3.1 To enable a clear distinction between matters concerning the current Joint Waste Contract and the future procurement decisions for HBC, RDC and WDC it is therefore recommended that a new Joint Waste and Recycling Committee (JWRC) be established. The new committee will operate concurrently to the existing JWC and meet consecutively so although some additional administration work will be required, matters concerning the current Contract and matters concerning procurement and the future delivery of services are handled separately.
