

EAST SUSSEX COUNTY COUNCIL

Notice under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

On 24 Oct 2022 the County Council intends to hold a meeting of the Lead Member for Transport and Environment which will be fully exempt.

The reason for this is that a report to be considered at the meeting (Exceat Bridge Replacement Project - provisions for biodiversity compensation land) contains exempt information as specified in paragraph 1 of Part 1 of the Local Government Act 1972 (as amended) namely information relating to any individual.

Under the requirements of Regulation 5(2) of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 the Council is required to give 28 days' notice of a private meeting identified within the scope of these Regulations.

The item (Exceat Bridge Replacement Project - provisions for biodiversity compensation land) is considered urgent and cannot be deferred as any delay would potentially impact the planning authority's ability to make a planning determination and this would impact the implementation of the scheme.
