Items that appear regularly at committee	
Internal Audit Progress Reports	Summary of quarterly key audit findings, highlighting significant control issues and reporting on delivery of the audit plan and internal audit services' performance against performance indicators.
Strategic risk monitoring log	The latest version of the County Council's strategic risk register.
The Council's Forward Plan	<p>The latest version of the Council's Forward Plan is included on each scrutiny committee agenda. The Forward Plan lists all the key County Council decisions that are to be taken within the next few months together with contact information to find out more. It is updated monthly.</p> <p>The purpose of doing this is to help committee Members identify important issues for more detailed scrutiny <i>before</i> key decisions are taken. This has proved to be significantly more effective than challenging a decision once it has been taken. As a last resort, the call-in procedure is available if scrutiny Members think a Cabinet or Lead Member decision has been taken incorrectly.</p> <p>Requests for further information about individual items on the Forward Plan should be addressed to the listed contact. Possible scrutiny issues should be raised with the scrutiny team or committee Chairman, ideally before a scrutiny committee meeting.</p>
Committee work programme	This provides an opportunity for the committee to review the scrutiny work programme for future meetings and to highlight any additional issues they wish to add to the programme.
