

Work programme for Children's Services Scrutiny Committee

Future work at a glance

Updated: June 2017

This list is updated after each meeting of the scrutiny committee.

Items that appear regularly at committee	
<p>The Council's Forward Plan</p>	<p>The latest version of the Council's Forward Plan is included on each scrutiny committee agenda. The Forward Plan lists all the key County Council decisions that are to be taken within the next few months together with contact information to find out more. It is updated monthly.</p> <p>The purpose of doing this is to help committee Members identify important issues for more detailed scrutiny <i>before</i> key decisions are taken. This has proved to be significantly more effective than challenging a decision once it has been taken. As a last resort, the call-in procedure is available if scrutiny Members think a Cabinet or Lead Member decision has been taken incorrectly.</p> <p>Requests for further information about individual items on the Forward Plan should be addressed to the listed contact. Possible scrutiny issues should be raised with the scrutiny team or committee Chairman, ideally before a scrutiny committee meeting.</p>
<p>Committee work programme</p>	<p>This provides an opportunity for the committee to review the scrutiny work programme for future meetings and to highlight any additional issues they wish to add to the programme.</p>

Performance monitoring

Performance monitoring is an integral part of scrutiny. The committee is alerted to the relevant quarterly [reports](#) that Cabinet and Lead Members receive. Members can then suggest matters for scrutiny to investigate in more detail.

In the performance reports, achievement against individual performance targets is assessed as either 'Red', 'Amber' or 'Green' ('RAG'):

- 'Green' means that the performance measure is on target to be achieved
- 'Amber' means that there is concern about the likelihood of achieving the performance measure by the end of the year
- 'Red' means that the performance measure is assessed as inappropriate or unachievable.

Requests for further information about individual items in the performance reports should be addressed to the listed contact. Possible scrutiny issues should be raised with the scrutiny team or committee Chair.
