

Report to: **Governance Committee**

Date: **4 June 2019**

By: **Assistant Chief Executive**

Title of report: **Appointments to Outside Bodies**

Purpose of report: **To receive an update in relation to appointments to outside bodies**

RECOMMENDATIONS: The Governance Committee is recommended to agree to the proposed appointments set out in Appendix 1 for the period to May 2021

1. Supporting Information

1.1 The County Council is invited to appoint Members (and in some cases non-County Councillors are eligible) to serve on a wide range of outside bodies whose role has a relationship to a function of the County Council. The appointments are a vital part of the County Council's working in partnership with voluntary bodies, statutory agencies and the public and private sectors.

1.2 In 2017, a number of appointments to such bodies were agreed. As a result of changes to appointments to committees agreed by the County Council in May 2019 and changes to the membership of the Cabinet, proposals have been received regarding changing the County Council representation on some of these bodies.

1.3 The table in Appendix 1 shows the organisations to which revised nominations have been received.

2. Recommendations

2.1 The Committee is asked to consider the nominations to outside bodies set out in Appendix 1 to this report and to appoint Councillors to serve on those bodies.
