

NOTICE OF MOTION

East Sussex County Council calls on Her Majesty's Government to publish its White Paper on the reform and future of Adult Social Care.

In drawing together its White Paper the government must take into account the already close working between this council and the NHS.

We welcome an opportunity of closer working with the NHS but future plans should not only ensure world class services for the people of East Sussex but also those services should continue to be under the control of democratically elected local councillors. This is to ensure local accountability and control by the community. This is the best way of delivering services as local people know what they need and what they want".
