Notes - East Sussex Deferred Statement Errors	Gone away	If the record has "gone away" selected, Altair will supress the statement from being run. 112 not included in exercise (Assume marked as gone away post exercise). 30 did have address updated but since marked as gone away, remaining 990 confirmed were part of exercise and address could not be traced (ITM exercise Nov 19 to April 20.)				
	Error on record	had record set to not allow a benefit calc to be run (in basic details 2 screen) which will not allow a statement to be run. Systems lanager (SM) thinks a team leader/officer set it so that a calc cannot be run, because the benefits need to be recalculated. (Or could are been set in error.) Team Leader will need to run the individual cases. had an error message of "module list data missing" - SM thinks there is likely to be some inconsistency on the records and will need vestigating. had "PI requires recalculation" so will need the PI applied needs investigating on the record. had "No Consistency Check" - SM reported that a consistency check is a verification that can be run on the record and is automatically enerated when a benefit calc is run.				
	Other	1 record was an active and should be deferred and 1 is now a pensioner.

Notes - East	Missing 19.20 CARE Pay No of records affected within total run	There are 30 records that we did not get a response from for missing 19.20 CARE Pay - chased several times! - across a number of employers (excluding Brighton & Hove & East Sussex College group). The other 39 records are still under investigation; upon a quick glance, it looks like one has been set up in July 2020 with servi pre 31 March so was not on EOY and some other anomolies. Total number with no 19.20 (that had earnings) is 609 (including Brighton & Hove CC and East Sussex College Group).						
Sussex Active Statements	Default option for missing pay	The default option for East Sussex Fund was to leave 19.20 field blank for those records with missing CARE pay for 19.20. If this field is blank then Altair will not produce a statement. Other Funds have a default option and a statement will be produced. Those East Sussex members not receiving a statement will have bespoke comms explaining why they didnt have a statement and relevant employers will also be informed.						
	Brighton & Hove CC	Responses to pay queries for 19.20 were returned from Brighton & Hove but extremely late (2nd week of August) and Fund informed would not be able to update high volume of records so close to deadline. Action: records will need to be updated						
	East College Group	Responses to missing pay records not received, Fund has been informed. Action: Employer to be chased for missing records.
