## Suggested Potential Future Scrutiny Review Topics

Suggested Topic	Detail
Developing Care Markets/Bedded Care Strategy	Following an initial scoping exercise of issues relating to the developing care market and the Council's bedded care strategy, the Committee agreed on 14 November 2019 to postpone further scrutiny activity on this area for 18 months (to mid-2021). This will allow the Adult Social Care department to continue to develop its workstreams in relation to this area of work.
Elective Home Education	The Committee has noted issues relating to an increase in the numbers of children being home educated and that home education could increase further in light of the COVID-19 pandemic. The Committee was informed that a relevant Private Member's Bill has not yet completed its progress through Parliament. The expectation is that national guidance will follow in due course (although there is not a clear date for this). The Committee therefore agreed to revisit this subject once the Government has published its guidance.
COVID-19 response and implications	<p>A range of topics related to COVID-19 have been suggested for future scrutiny by Committee Members, including:</p> <ul style="list-style-type: none"> <li>• Public Health role – e.g. planning, resources, working with others.</li> <li>• The work of care staff during the pandemic and impact on recruitment and retention, including use of agency staff and experiences of BAME care workers.</li> <li>• Support to care homes, including health service input.</li> <li>• The experience of carers during the pandemic.</li> <li>• The impact of Covid-19 on Departments and the services they provide.</li> </ul> <p>The Committee will consider whether to undertake work on these topics at the appropriate time when capacity allows.</p>
