1.1 The Lead Member approved as a correct record the minutes of the meeting held on 4 March 2021.

2 REPORTS

2.1 Reports referred to in the minutes below are contained in the minute book.

(2) review the delegation in January 2022 or as soon as practicable thereafter.

Reasons

3.3 The continued delegation ensures that provision continues to be in place to provide for executive decisions to be taken in response to Covid-19.

4 SELEP FUNDED CAPITAL PROGRAMME FINANCIAL STATEMENT - CONFIRMED SPEND FOR 2020/21 AND FORECAST FOR 2021/22

4.1 The Lead Member considered a report by the Director of Communities, Economy and Transport.

DECISIONS

4.2 The Lead Member RESOLVED to (1) Note the final 2020/21 spend for the Local Growth Fund programme and the amount of funds re-profiled into the East Sussex County Council Capital Programme;

(2) Note the final 2020/21 spend for the Getting Building Fund programme and the amount of funds re-profiled into the East Sussex County Council Capital Programme;

(3) Note the final 2020/21 spend for the Growing Places Fund programme and the amount of funds re-profiled into the East Sussex County Council Capital Programme;

(4) Agree the confirmed scheme spend profiles for the Local Growth Fund programme for the 2021/22 financial year;

(5) Agree the confirmed scheme spend profiles for the Getting Building Fund programme for the 2021/22 financial year; and

(6) Agree the confirmed scheme spend profiles for the Growing Places Fund programme for the 2021/22 financial year.

Reasons

4.3 Taking into consideration the severe impact of Covid on the delivery of capital infrastructure programmes, East Sussex has continued to be successful in delivering across the Local Growth Fund (LGF), Getting Building Fund (GBF) and Growing Places Fund (GPF) projects, with some slippage in spend in 2020/21 as referred to in section 2 of the report.

4.4 In most cases this slippage was initially anticipated to be short-term in nature with spend occurring in the early quarters of the 2021/22 financial year. However, the Covid-19 pandemic and the ensuing restrictions put in place since March 2020, has had a major impact on the delivery of LGF and GBF schemes across East Sussex and the wider South East Local Enterprise Partnership (SELEP) area, resulting in further slippage across the board on many of the schemes.

4.5 Mitigation has been put in place including: utilising the capital swap option in the SELEP Accountability and Assurance Framework to swap out LGF spend for local authority capital programmes; seeking approval to extend spend and delivery beyond the original Growth Deal deadline of March 2021; and providing interest free flexibility on the repayments of the GPF loans.

Reasons

5.3 The development of the Observer Building in Hastings is vital to safeguard and develop the mixed use building in the town centre supporting the local area through addressing both social and economic difficulties. Previous Growing Places Fund loan funding of £1.75m and £1.71m Getting Building Fund monies have been secured from SELEP and Government respectively to deliver Phases 1a and 1b of the project. As a prioritised pipeline scheme, the SELEP has allocated a further £1.62m from its recyclable Growing Places Fund to Phase 2 of the Observer Building project.

Reasons

6.3 The UK Community Renewal Fund monies will support people and communities most in need to pilot programmes as well as new and innovative approaches that invest in skills, community and place, local business, and supporting people into employment. The outcomes and evaluation of these projects and programmes will help the County Council alongside scheme promoters to develop and refine their projects ahead of the UK Shared Prosperity Fund coming forward from 2022/23 onwards.

6.4 The final list of projects, as set out in Annex 2 was submitted to MHCLG for consideration on 18 June 2021 and these were identified following a thorough assessment and prioritisation process as those that stand the greatest chance of being awarded funding and having the greatest impact on the East Sussex economy.
