Item	Title	Action
	Annual General Meeting	
1	Welcome/ Introductions & Apologies	
1.1	Cllr Galley welcomed everyone present at the meeting. Apologies were noted by the Clerk.	
1.2	There were no declarations of conflicts of interest.	
2	Review of SACRE Constitution	
2.1	CB had produced a revised version of the Constitution following comparison with other SACRE's. A revised code of conduct is to be included as an appendix.	
2.2	CB confirmed that an AGM is needed each year to present the Annual report and the Budget summary.	
2.3	The AGM will be held annually at the March meeting.	
2.4	Cllr Galley raised the point that he understood that when SACRE held a vote, if one member of any of the groups votes against then they can veto. Clerk to contact NASACRE to clarify this point.	Clerk
2.5	Cllr Galley confirmed that if members do not attend three consecutive meetings, then they are deemed no longer a member. Cllr Galley added that we need to be sensitive as well as in accordance to the constitution. The constitution states that if no apologies or genuine reason for non-attendance is forthcoming for 3 meetings then the representative is no longer deemed to be a member.	Chair
2.6	Cllr Galley to contact Tariq Rajbee with regard to his lack of attendance and also contact the Bexhill Mosque for a representative.	Chair
2.7	Cllr Galley will also contact Alistair Robertson, observer from the Humanist community to see if he still wants to be part of the SACRE.	

2.8	<p>SACRE agreed the revised constitution subject to any amendments discussed at this meeting. The final version will be presented at the next meeting.</p> <p>SACRE agreed the Code of Conduct.</p>	
3	Budget Update	
3.1	An update report had been circulated to SACRE prior to the meeting.	
3.2	CB advised there is an overspend of £800 this year; the Education team budget will cover this amount and is not an issue.	
3.3	CB advised the budget 2022/23 is looking to be slightly overspent by £1,168; conversations with Children's Services need to take place to see how to deal with this. CB has approached Claire Roberts in the SLES team to make a case for an increase in the budget for the next three years.	
3.4	<p>CB asked SACRE to note the challenges and discuss how to take this forward. Two actions were proposed:</p> <ul style="list-style-type: none"> – In continuing to work with RE Today could that be from September to spread the cost over a further financial year and thereby spread the cost? – Put a paper together for the Director of Children's Services for approval to increase the SACRE budget to cover the overspend and maintain the amount of £15,000 funding annually going forward. 	
3.5	Cllr Galley raised the point that if SACRE decided that they wanted to run an event/conference there is no money to do this. Likewise with any school visits there would be no funds for any travel costs. Therefore, could we extend the funding request to include these.	
3.6	CB responded that we could make a case for £20,000 for this year then reduce to £15,000 for following years.	
3.7	SACRE agreed that a paper be put together for a funding request. CB to work with Cllr Galley to draft a paper for Children's Services consideration.	CB/ Chair
4	Development Plan to 2023	
4.1	CB presented the updated Development Plan.	
4.2	Cllr Belsey asked if schools were open for visits. CRi advised that Covid is still prevalent in many schools, and they are not keen for visits to take place at the moment.	
4.3	BB suggested that we reset the agenda on school visits with the introduction of the new syllabus. This can be our focus and continue collecting feedback regarding this even if we cannot get into the schools.	
4.4	CRA and CRi agreed to gather information from the network meetings, it was suggested that one of the schools may put together a video clip to show SACRE the RE work in action.	CRA/ CRi

4.5	Remind schools via the network meetings re Collective Worship. CB suggested a short guidance document be produced from SACRE re Collective Worship.	CRA/ CRi/ CB Clerk
4.6	It was agreed to add an item onto the June agenda for Collective Worship and School visits.	
4.7	CB suggested perhaps doing a couple of pilot visits to schools during the second half of the summer term to see how preparation is going for the new syllabus, and then get a full visit programme going from September.	
5	Annual Report	
5.1	The SACRE Annual Report had been circulated to the group prior to the meeting.	
5.2	SACRE approved the Annual Report to be presented to the People Scrutiny Committee on 24 March 2022.	
	Business Meeting	
6	Minutes of meeting 23 November 2021	
6.1	The minutes of the last SACRE business meeting held on 23 November 2021 were agreed as accurate.	
7	Agreed Syllabus Update including guidance document and plans for launch and CPD	
7.1	CB advised that 142 people had so far signed up for the launch of the new Syllabus event on 29 March, covering approximately 120 schools. No special schools had signed up.	
7.2	List of those schools signed up to be sent to SACRE members.	Clerk
7.3	CRA gave an update on the core KS4 curriculum; the units/schemes of work are all completed. They have been set up on Padlet website, an effective tool for schools. Through the network meetings we can show the staff the units and where to find them. It also allows teachers to upload resources to help each other.	
7.4	Copies of the units of work to be sent to SACRE for their information.	Clerk
7.5	All members to encourage further schools to attend the launch event on the 29 March to ensure full engagement from all schools and academies, if at all possible.	All
8	Updates from Schools Working Group/Network meetings & CPD	
8.1	BB advised that there had been no Schools Working Group meeting since the Agreed Syllabus Conference, therefore had no further feedback at this point.	
8.2	CRi advised there had been a very good meeting of the primary network on 26 January with good attendance and positive feedback following the meeting. The theme was 'Enquiry and Inquiry' and this linked well with Worldviews.	

8.3	CRa reported on the development of the Core Curriculum for KS4 and the positive work from secondary colleagues in developing this syllabus along with the supporting resources.	
9	NASACRE Briefing	
9.1	The latest NASACRE briefing had been circulated the day before this meeting. The key points to note were: <ul style="list-style-type: none"> - New website. - Conference 23 May in Birmingham. - Teaching school hubs – CRi confirmed we do have a good link with ours. - On-line training programme. 	
9.2	EC commented that the self-evaluation tool mentioned in the Briefing could help SACRE develop in the future.	
9.3	CRa added that she had attended the on-line training session on the self-evaluation tool and suggested meeting with Cllr Galley to discuss how this could be used by SACRE. Clerk to set up a meeting between Cllr Galley, Carrie Beech, Claire Rivers and Claire Ramalli.	Clerk
10	Equality, Diversity & Inclusion

10.2	Cllr Galley suggested that he can contact Elizabeth Funge, the Assistant Director for Education to discuss.	Chair
10.3	CRi mentioned that Remo Palladino is a rep on the Joint Board for Special Schools and she could approach him.	CRi
11	AOB	
11.1	PW raised the point that we used to have a rep from the Orthodox Church as part of the SACRE. As we are likely to have Ukrainian families moving into East Sussex we need to make efforts to have a representative of the Orthodox Church on the East Sussex SACRE.	
11.2	Cllr Galley agreed to contact Cllr Trevor Webb who has links with the Orthodox community in the County.	Chair
11.3	BB suggested inviting people to attend a single SACRE meeting rather than trying to recruit to talk about their faith. Alternatively, different faiths could be invited to attend SACRE and the network meetings, to engage a more diverse group of people.	
11.4	Cllr Belsey agreed to invite a guest to speak at a SACRE meeting.	Cllr Belsey
11.5	CB suggested we could call this 30-minute slot on each agenda 'My world view, my faith'.	

Date of next meeting: 16 June 2022 at 2.00pm
