Current Scrutiny Reviews		
Title of Review	Detail	Proposed Completion Date
School Exclusions	<p>The previous Committee agreed in March 2020 to undertake a Scrutiny Review of issues relating to school exclusions. The Committee also agreed the Terms of Reference proposed by the Scoping Board. Due to the COVID-19 pandemic and its effect on the availability of schools to contribute to further work on this review, it was subsequently paused with the intention to recommence it at a suitable future date.</p> <p>Since the original review was scoped, the Department has commenced a project with ISOS consultancy to draw together aspects of good and emerging practice into a clear, whole-system, strategic approach to inclusion and the use of Alternative Provision for secondary-age pupils in East Sussex.</p> <p>The Committee wishes to recommence this review and will hold a further short scoping meeting in early autumn (anticipated to be October) to consider the outcomes of the ISOS project and any adjustments required to the existing Terms of Reference before commencing the review.</p> <p>Membership of the Review Board: Councillors Adeniji, Field, Maples and Nicola Boulter, Parent Governor Representative.</p>	To be confirmed when second scoping board undertaken in early autumn 2022 (anticipated to be October).

Use of digital and technology in Adult Social Care	<p>At the March 2022 meeting, the Committee agreed to proceed to scoping a review of the potential for use of digital and technology in ASC. Subject to scoping by Members, this could consider:</p> <ul style="list-style-type: none"> the opportunities technology/ digital brings for ASC in terms of improving delivery of social care services and/or sustainability of services how use of technology/ digital can help address ongoing challenges and preparation for social care charging reforms how the Council can prepare strategically for use of technology/ digital in delivery of services in the future <p>Membership of the Scoping Board: Councillors di Cara, Geary and Maples.</p>	Initial scoping board to take place on Tuesday 5 July.

ASC Equalities and Inclusion Strategy	<p>At the March 2022 meeting, the Committee agreed to proceed to scoping a short review of the effectiveness of the ASC Department's Equalities and Inclusion Strategy with recommendations expected to inform the Department's priorities and objectives for the remainder of the strategy.</p> <p>Members of the Scoping Board: Councillors Geary, Ungar and Webb.</p>	Initial scoping board to take place on Friday 1 July.

School Attendance	<p>The Committee heard at their 2021 work planning awayday that overall school absence and persistent absence rates across East Sussex are high, when compared to national and statistical neighbours; and that East Sussex has a significant number of children and young people deemed too ill to attend school due to anxiety and poor mental health, and increasing levels of Emotionally-Based School Avoidance.</p> <p>A scoping board meeting was held on 10 March 2022 and the Board agreed that although the subject was appropriate for a Scrutiny Review, as so much of the current situation regarding school absence rates in East Sussex was related to the ongoing impact of, and disruption from, the coronavirus pandemic, it was too early for the Committee to undertake a scrutiny review of school attendance.</p> <p>The Board therefore agreed that the review should commence in Spring 2023 when we expect to have a clearer sense of the long-term impact of COVID on school absences. A further short scoping board meeting will be held in early 2023 to build on issues discussed at the 2022 scoping board and draft Terms of Reference for this review. In the interim, an update on school attendance data will be reported to the November 2022 Committee as part of the work programme update to support work programming of this review.</p> <p>Membership of the Scoping Board: Cllrs Adeniji, di Cara, Field and Howell (Chair) and Nicola Boulter, Parent Governor Representative.</p>	To be confirmed following a further short scoping board in early 2023.
