RECOMMENDATIONS

Cabinet is recommended to note the internal audit service's opinion on the Council's control environment.

1. Background

1.1 The purpose of this report is to give an opinion on the adequacy of East Sussex County Council's control environment as a contribution to the proper, economic, efficient and effective use of resources. The report covers the audit work completed in the year from 1 April 2021 to 31 March 2022 in accordance with the Internal Audit Strategy for 2021/22.

2. Supporting Information

2.1 All local authorities must make proper provision for internal audit in line with the 1972 Local Government Act (S151) and the Accounts and Audit Regulations 2015. The latter states that authorities 'must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance'. Annually, the Chief Internal Auditor is required to provide an overall opinion on the Council's internal control environment, risk management arrangements and governance framework to support the Annual Governance Statement.

2.2 It is a management responsibility to establish and maintain internal control systems and to ensure that resources are properly applied, risks appropriately managed and outcomes achieved.

2.3 No assurance can ever be absolute; however, based on the internal audit work completed, the Orbis Chief Internal Auditor can provide substantial assurance that East Sussex County Council has in place an adequate and effective framework of governance, risk management and internal control for the period 1 April 2021 to 31 March 2022.

2.4 This opinion, and the evidence that underpins it, is further explained in the full Internal Audit Service's Annual Report and Opinion which forms Annex A of this report. The report highlights:

- Key issues for the year, including a summary of all audit opinions provided;
- Key financial systems; and
- Other internal audit activity.

2.5 Appendix A of the annual report sets out details of internal audit performance for the year, including details of compliance against the relevant professional standards.

2.6 The 2021/22 Internal Audit Annual Report and Opinion was discussed by the Audit Committee on 8 July 2022.

3. Conclusions and Reasons for Recommendation

3.1 Cabinet is recommended to note the internal audit service's opinion on the Council's control environment.
