<b>1</b>	<b>Welcome/ Introductions &amp; Apologies</b>	
1.1	Cllr Galley welcomed everyone present at the meeting. A special welcome to new members Cllr Azad, Kirsty Eydmann and Iman Osman Whole.  Apologies were noted by the Clerk.	
1.2	There were no declarations of conflicts of interest.	
<b>2</b>	<b>Minutes of meeting 16 March 2022</b>	
2.1	The minutes of the last meeting were agreed as accurate.	
2.2	Cllr Azad referred to point 10.1 regarding special schools engaging with the Agreed Syllabus and questioned the background to this issue. Kirsty Eydmann has now become a member of SACRE from the Special Schools sector and will help start the journey with getting Special Schools on board.	
2.3	CB has prepared a paper to be taken to the next Special HT's meeting on 3 October. KE will attend to present the paper. This will be circulated to the SACRE members for information.	<b>Clerk</b>
2.4	Feedback from the meeting with Special HTs will be discussed at the next SACRE meeting. Clerk add this item to the agenda.	<b>Clerk</b>
2.5	Cllr Azad referred to point 11.3 referring to guest speakers from different faiths at each SACRE meeting; Iman Osman Whole will speak at the March meeting. Cllr Belsey will invite someone to speak at the November meeting. It was agreed 20 minutes would be sufficient for each speaker as an opportunity for members to better understand the demographic of East Sussex as a whole.	<b>Cllr B</b>
2.6	PW referred to point 2.4 regarding the voting system for SACRE. It was clarified that one member of a group cannot veto a decision, but one group can veto a decision. Cllr Galley and CB will check that the current constitution is accurate.	<b>Cllr B CB</b>
<b>3</b>	<b>RE Today support plan &amp; Budget update</b>	
3.1	CB referred to the report circulated prior to the meeting.	
3.2	<u>Partnership with RE Today</u>	

	<p>(i) Their second invoice was less than anticipated, however the St Mark's money held by Polegate is slightly less, the net result means we have just over £1k in the budget.</p> <p>(ii) Suggested action to address this - look at the possibility of re-charging schools for CPD and the annual conference for middle leaders. If we decided to hold a pupil conference, we would need to discuss where the budget would come from.</p> <p>(iii) Next year there are no licensing costs with RE Today, just £5,000 for Partnership working. CB suggested we try to keep the £15,000 funding to enable SACRE to capitalise on the work done so far.</p>	
<p><b>3.3</b></p>	<p><u>Comments</u></p> <p>(i) Cllr Galley stated that we should try to continue supplying materials to schools at no cost and that we should bid for the funding.</p> <p>(ii) Cllr Galley suggested the possibility of a pupil conference whilst recognising the difficulty in funding this</p> <p>(iii) RR asked if there are any funding pathways we can pursue?</p> <p>(iv) CB suggested that NASACRE may know of opportunities to bid for pots of money. It may be worth looking at the area groups for any pots of money at a local level to support things.</p> <p>(v) Cllr Belsey suggested the elected members on SACRE put forward a strong case to colleagues to keep the extra funding within the SACRE budget, this will cover the ongoing Partnership working with RE Today that we are committed to for 3 years.</p> <p>(vi) Cllr Galley asked CB to prepare a summary for what the 2023/24 budget may require, to include commitments to RE Today.</p> <p>(vii) CRi has close contacts around fund raising and will ask for information re funding pots available. Follow up at next meeting.</p> <p>(viii) CRa will contact Cullum St Gabriel and NATRE re any available funding.</p>	<p>Cllrs</p> <p>CB</p> <p>CRi CRa</p>
<p><b>4</b></p>	<p><b>Monitoring &amp; Evaluation - strategy</b></p> <p><b>4.1</b> BB referred to the paper circulated outlining key priorities for SACRE in terms of monitoring and evaluation over the next academic year.</p> <p><b>4.2</b> <u>Proposal</u> There is an opportunity for SACRE to work with schools and networks to embed the new Agreed Syllabus across the Local Authority, identify schools with the capacity to give back into the system and those that would benefit from additional input. This process can be managed operationally through the primary and secondary networks.</p> <p><b>4.3</b> SACRE's monitoring activities should:</p> <ul style="list-style-type: none"> <li>• Support universal adoption of the Agreed Syllabus</li> <li>• Recognise and celebrate good practice in delivery of the new Agreed Syllabus.</li> <li>• Facilitate school-to-school support through the networks.</li> </ul> <p><b>4.4</b> Focus of monitoring activities for the next academic year should be engagement. Identify:</p> <ul style="list-style-type: none"> <li>• Which schools engaged with the training (and which did not)?</li> <li>• Have those schools gone on to adopt the Agreed Syllabus for September 2022?</li> <li>• Which schools can we identify as 'beacons' - and able to offer support?</li> <li>• Which schools need support with delivery of the agreed syllabus?</li> </ul>	

<p>4.5</p> <p>4.6</p> <p>4.7</p> <p>4.8</p> <p>4.9</p> <p>4.10</p> <p>4.11</p> <p>4.12</p>	<p>The majority of academies use the Agreed Syllabus and most had engaged with us on the roll out. All but three academies attended the training. We will need to clarify how this has converted into delivery.</p> <p>Maintain links with the special schools.</p> <p><u>School Visits</u> School visits should resume in the new academic year. SACRE members should visit schools by invitation as arranged through networks.</p> <p><u>Purpose of a school visit</u></p> <ul style="list-style-type: none"> <li>• For schools to become more aware of the positive role of SACRE and how it can be a real source of support.</li> <li>• For SACRE members to receive information, develop an understanding of the new Agreed Syllabus in delivery and listen to the needs of schools.</li> <li>• For network leads to strengthen school-to-school support by creating a positive and open professional network based on self-evaluation.</li> </ul> <p>CB suggested that we identify schools who would like a visit from SACRE, and we go in pairs and stress we are there to gather information on what is going on in the school and any challenges they face.</p> <p>BB agreed to pull together some questions to be used on the visits.</p> <p>Contact Julie with suggested schools for visits.</p> <p><u>SACRE REport Card 2022/23</u> BB asked if this was something that SACRE want to pursue? SACRE agreed that this is something they would like to take forward and Cllr Belsey suggested it was sent to local MP's.</p> <p><u>Next steps:</u></p> <ul style="list-style-type: none"> <li>(i) Review launch of the Agreed Syllabus including conversion from training to delivery (the position of schools in the local authority).</li> <li>(ii) Identify 'beacons' and schools that may benefit from support, through the networks.</li> <li>(iii) Arrange for school visits to resume by invitation, through the networks.</li> <li>(iv) Review the Annual Survey.</li> <li>(v) Begin to construct a report card and review the activities required to inform the reporting process.</li> </ul> <p>Cllr Galley to write to those staff who have been particularly supportive in the launch of the new Agreed Syllabus. This reinforces the role of SACRE. CRa and CRi to let Cllr Galley know details.</p> <p>SACRE agreed the next steps.</p>	<p></p> <p></p> <p></p> <p></p> <p>BB</p> <p>CRa/ CRi/JG</p> <p></p> <p>Cllr Galley</p>
<p>5</p> <p>5.1</p>	<p><b>Update from Network meetings</b></p> <p><u>Secondary</u> CRa updated the meeting on the latest Hub meeting:</p> <ul style="list-style-type: none"> <li>- Focus on KS4 curriculum</li> <li>- Hub contacts collated</li> <li>- Handover to Sam Keddie</li> </ul>	<p></p>

5.2	CB advised that there has been interest from outside of the county to access core units of work in the Agreed Syllabus. Ideas are to ask the marketing team at ESCC to put these units into a publication and charge for this information or alternatively explore further a mechanism to get KS4 core curriculum published. Another option is to allow them to publish the units on the RE Today website. CB and CRa to look at a plan for taking this forward.	CB/CRa
5.3	<u>Primary</u> CRi confirmed that the network meetings continue to be very successful with a good sense of trust within the group.	
6	<b>Collective Worship - Guidance document</b>
