1. Background

1.1 The Council's Internal Audit Strategy and 2023/24 Annual Audit Plan (Annex A and Appendix A) sets out how the Council will meet its statutory requirements for internal audit, as defined within the Accounts and Audit Regulations 2015. The plan focusses primarily on core assurance areas (such as all key financial systems), high-priority areas, known key priority projects/programmes, and grant claims, with the remainder of the direct audit days earmarked as emerging risks/contingency.

1.2 The plan has been developed in consultation with departments. A workshop was also held with members of the Audit Committee on 31 January 2023 and comments made have been fed into the planning process.

2. Supporting Information

2.1 The Strategy and Plan will be delivered in line with proper internal audit practices as set out within the Public Sector Internal Audit Standards (PSIAS).

2.2 The Internal Audit Charter sets out the scope and responsibility of internal audit. It is attached to this report as Appendix B.

3. Conclusion and Recommendations

3.1 Members are recommended to review and endorse the Internal Audit Strategy and Plan, and the Internal Audit Charter.
