Home to School Transport	<p>At its 2024 away day the Committee discussed the challenges in transport for care and home to school transport and agreed that this, in collaboration with Children's Services and Adult Social Care and Health, could be a potential topic for a future scrutiny review.</p> <p>An initial scoping board was held in May 2025 where Members considered current statutory duties around transport in both adult social care and education; cost pressures; and programmes of work, planned and underway, to address these.</p> <p>In relation to ASCH transport, the Board agreed that it was not currently the right time for a scrutiny review into this area, due to work in progress, but that potential upcoming changes to transport policy in ASCH would be brought to the Committee when appropriate.</p> <p>The Board was keen to scrutinise areas in Home to School Transport and agreed that a rapid review in the autumn into some specific cost avoidance measures could add value. A scoping board to look at these areas will take place in October 2025</p> <p>Membership of Scoping Board: Cllrs Belsey, Cross, Howell and John Hayling (Parent Governor Representative)</p>	<p>Further Scoping Board</p> <p>29 October 2025</p>
Suggested Potential Future Scrutiny Review Topics		
Suggested Topic	Detail	
Carers Partnership Strategy	At its 2024 away day the Committee agreed to recommend that a report on the progress of the Carers Partnership Strategy be brought to the Committee and that it may wish to consider this topic for a future scrutiny review.	

Recruitment of foster carers	At its 2024 away day the Committee discussed the vital role of foster carers and agreed that exploring ways to improve the recruitment and application process, including seeking best practice in other local authorities, could be a potential topic for a future scrutiny review.	
Elective Home Education	<p>The Committee heard at their 2021 work planning awayday that issues relating to the increase in the numbers of children being electively home educated (EHE) remain a concern for the Children’s Services Department and expressed an interest in scrutinising the work the Department is doing in response.</p> <p>The Committee received additional updates on the local situation, as well as national updates, at their November 2022 and November 2023 meetings, including information at the November 2023 meeting on a DfE Consultation that has opened on revised home education guidance for Local Authorities to provide more clarity about ‘suitable education’ and support to be provided for home educators. In the absence of legislation for a statutory register, the guidance proposes Local Authorities set up a voluntary registration scheme for parents who home educate.</p> <p>The Committee agreed at the November 2023 meeting to retain this as a potential area for review but will await further information from the DfE consultation.</p>
