

Petition to East Sussex County Council

We, the residents of Bancroft Road, Bexhill-on-Sea, East Sussex, TN39 4AG, petition to East Sussex County Council explore all means to physically adopt the portion of the highway between Woodsgate Park and Newlands Avenue, Bexhill-on-Sea, that has remained “un-adopted highway” ever since the housing estate was built in the 1960s. In seeking to adopt this portion of the highway, the residents ask ESCC to be mindful that the residents do not recognise ownership or responsibility for the highway or pavement, but that the residents ask ESCC to identify the legal owner and arrange for the highway and pavement to be repaired.

We, the undersigned, hereby Petition the ESCC to take all necessary action to secure the adoption of Bancroft Road, Bexhill-on-Sea.
