Principles of the Board – the principles have been removed as they are now included as part of the role and function of the board.

Role and Function

- To provide whole system leadership for the health and wellbeing of the people of East Sussex and the development of sustainable and integrated health and care services.
- To provide strategic influence over the commissioning and provision of health, public health and social care services in East Sussex.
- To strengthen democratic legitimacy by involving democratically elected representatives and patient representatives in commissioning and provision decisions across health and social care and provide a forum for challenge, discussion, and the involvement of local people.
- To bring together the NHS, the council and others to develop a shared understanding of the health and wellbeing needs of the community using robust and up to date evidence.
- To drive local commissioning and delivery of health care, social care and public health and create a more effective and responsive local health and care system that reduces the need for health and social care in the longer term and/or prevents the need for a more expensive service.
- Jointly undertake responsibilities for addressing population health need and working together to inform strategic planning of health and social care, through oversight of integrated investment plans Better Care Fund, Improved Better Care Fund and any other responsibilities delegated to the HWB.
- To have a relationship with the East Sussex Strategic Partnership to strengthen the engagement of wider range of stakeholders in all determinants of health.

These functions will be delivered through the following activities:

Identify needs and priorities

1. Publish and refresh the East Sussex Joint Strategic Needs and Assets Assessment (JSNAA), using a variety of tools, evidence and data including user experience, to ensure that the JSNAA supports commissioning and policy decisions and identification of priorities.

Deliver and review the Health and Wellbeing Strategy

2. Review and update the Joint Health and Wellbeing Strategy regularly to ensure the identified priorities reflect the needs of East Sussex that clearly explains our joint purpose to residents, communities, staff and volunteers in all organisations
3. Ensure the council, CCGs and NHS providers contribute to the delivery of the Joint Health and Wellbeing Strategy and integrate its agreed objectives into their respective plans.
4. Review recommendations from the East Sussex Health and Social Care Executive Group with regard to transforming services and the overall strategic investment patterns to meet population health needs and deliver outcomes, reflecting national policy where this is appropriate.
5. Oversee and hold partners to account for the implementation of agreed plans.

Ensure achievement of outcomes

6. Communicate and engage with local people about how they can achieve the best possible quality of life and be supported to exercise choice and control over their personal health and wellbeing.
7. Have oversight of the use of relevant public sector resources across a wide spectrum of services and interventions, with greater focus and integration across the outcomes spanning healthcare, social care and public health.
8. Work in partnership with the Sustainability and Transformation Partnership (STP) to improve outcomes for East Sussex residents and hold the STP to account for delivery in East Sussex of its parts of the system.

Reporting

9. Propose recommendations regarding the work of the Health and Wellbeing Board to:
 - East Sussex County Council;
 - East Sussex CCGs; and
 - NHS provider Trusts
10. Direct issues to and receive reports from the appropriate Scrutiny Committees of the County Council, and the East Sussex Strategic Partnership.
