Community Services																			
Archives and Records Service	The Keep Sustainability Plan has been agreed and is a three-part savings and income plan to ensure the financial sustainability of The Keep. It would ensure that the partners still deliver our statutory and legal duties, and maintain a good degree of public access.	1,042	1,074	104	14		118	-									14		
Library Services	The increase in the proportion of our stock available online as eBooks means that we can reduce the stock fund as eBooks have a longer shelf life than physical stock, with no deterioration in condition. We have also reviewed our support services and ICT contracts to ensure maximum efficiency and value. Finally, we have been able to reduce premises costs for Libraries, following the merger of the Records Management and Registration functions. The warehouse in Hailsham used by both services is now jointly funded. Overall this will achieve savings of £240k. In addition, we will keep our Needs Assessment and Accessibility Analysis under review, and as a result we may in future provide a reduced library service.	4,214	3,595	240	288		528	-	-	-									
Trading Standards	Carry out food sampling and food inspection only where the risk is high; carry out reactive animal health disease control and take enforcement action where necessary. There will be a reduction in our preventative and support work, to business, to people vulnerable to scams and the reduction in routine inspection may increase public health risks.	765	657		100	100	200	-	-										
Transport																			
Parking: Civil Parking Enforcement	Increase on-street parking charges where possible. Surpluses to be used for transport related funding.	6,134	(910)		1,000		1,000									у	2,000
