Report to: Cabinet

Date of meeting: 19 July 2022

By: Chief Operating Officer

Title: The Conservators of Ashdown Forest – 2021/22 Outturn

Purpose: To present the 2021/22 outturn, together with contribution to meet

deficit on the core budget

RECOMMENDATIONS

Cabinet is recommended to:

1. note the 2021/22 Outturn for the Conservators' Core and Countryside Stewardship budgets; and

2. approve the contribution of £19,546 to fund the deficit on the Conservators' Core budget for 2021/22.

1 Background

- 1.1 This report sets out the outturn financial position of the Conservators of the Ashdown Forest (COAF) for 2021/22 against the approved budget (Appendix 1), approved by the Board of Conservators at their meeting on 29 November 2020 and presented to the Cabinet on 2 March 2021.
- 1.2 The Countryside Stewardship (CS) budget presents a surplus of £9,274 for 2021/22 due to reduced activity and expenditure on CS projects. The surplus has been added to the CS Reserve which, at 31 March 2022, has a balance of £418,991. The CS budget is entirely funded from government grant and is ringfenced for CS activity.
- 1.2 The Core budget presents a deficit of £75,658 for 2021/22. Within this deficit position is £19,592 in respect of accounting (non-cash) adjustments, which leaves an adjusted operational deficit of £56,066. In accordance with the Ashdown Forest Act 1974, at the end of 2020/21 the Council contributed £69,792 to COAF to offset the forecast in-year deficit for 2020/21. The 2020/21 outturn actually concluded with a surplus of £36,520, resulting in an overpayment by the Council of that amount, which has been carried forward to offset against the 2021/22 operational deficit, leaving an unfunded deficit of £19,546. The balance of the Core Reserve at 31 March 2022 was £321,114.

2 Supporting information

The Combined Income and Expenditure Summary is set out in Appendix 1

- 2.1 The key variations against the approved budget were:
 - Unrestricted Funding: The Ashdown Forest Foundation (TAFF) budget planned for £150,000 of donations. However, TAFF is a newly formed charity with new trustees and, given the backdrop of launching during the pandemic, the charity had not been in a position to make an income contribution this year. The COAF had worked to mitigate the shortfall in income with reduced staff costs and controlling operational expenses.
 - There is a net overspend on staff costs which is mostly due to the in-year staff restructure.
 Income from licences and other forest revenue is higher than forecast and there is also a small underspend in operational expenses.
 - It is estimated that £30,000 of income has been lost due to Covid-19 restrictions on income generating aspects of the COAF operation during 2021/22.

3. Recommended Funding

- 3.1 While the Council has a statutory obligation to meet the shortfall between expenditure and income of the Conservators' Core Budget, it also has the responsibility for approving the level of expenditure. It is recognised that the 2021/22 deficit in the Core budget has arisen primarily from an over-estimation of the level of income the TAFF could raise in its first year, together with the impact of the pandemic and was not wholly foreseeable when the budget was agreed.
- 3.2 It is proposed that the Council makes a financial contribution to the COAF of £19,546, being the adjusted Core budget operational deficit of £56,066 less the adjustment for the over contribution in 2020/21 of £36,520. Given that is it estimated that in the region of £30,000 of income was lost due to the continuation of the pandemic, it is proposed that the Covid-19 grant funding is allocated to fund the deficit.

4. Conclusion

4.1 Cabinet is recommended to approve a financial contribution, from COVID-19 grant funding, of £19,546 to offset the 2021/22 Core budget outturn deficit.
