**East Sussex HWB SDP milestones**

	<b>What we will do (2023/24)</b> <i>(East Sussex HWB SDP milestone)</i>	<b>What we will achieve</b>	<b>When</b>
<b>ES1</b>	Building on the Universal Healthcare initiative and other local programmes, we will have a joined-up approach to planning and delivering health, care, and wellbeing in Hastings, with clear evidence of integrated approaches to improving outcomes for local communities.	A planning and delivery approach agreed by Place leadership board.	March 2024  In progress
<b>ES2</b>	Service models will be developed and approved for scaling up across the county and an implementation timetable with key milestones agreed.	Service models will be approved by Place leadership board.	March 2024  In progress
<b>ES3</b>	A comprehensive stakeholder engagement process will take place to help us explore how we can improve health outcomes in cardiovascular disease (CVD) respiratory disease, mental health, and frailty/ageing as significant drivers of poor health and early death in our population.	Improvement plans approved by Place leadership board.	March 2024  In progress
<b>ES4</b>	Aligned to our discharge workstream, we will develop our integrated hospital discharge model, implement the 2023-24 hospital discharge capacity plan, and deliver the improvements aligned with the discharge frontrunner programme.	More people will be able to be discharged safely to a community setting.	March 2024  In progress
<b>ES5</b>	Deliver our children and young people's programme plan with a key focus on priority workstreams to support getting the best start in life; promoting emotional wellbeing and mental health; physical health, needs of children with SEND, and our most vulnerable young people.	Family hubs with additional support for families with young children; strengthened support for long term conditions (Core20PLUS5 for CYP); clearer and improved pathway for mental health support and support for parent carers.	March 2024  In progress
<b>ES6</b>	We will deliver initial stages of integrated models of community mental health care within local communities, through Primary Care Network based offers and developing plans to support more people who need housing-based support due to their mental health.	In-year plan delivered	March 2024  In progress
<b>ES7</b>	Networks will be developed in communities to help co-ordinate access to local sources of practical support and activities, to boost emotional wellbeing and help with loneliness and isolation.	Consolidation of networks providing access and support to local people.	March 2024  In progress
<b>ES8</b>	Develop our approach as an "anchor" system in East Sussex, including our plans for using our power as employers and buyers of services to stimulate sustainable economic and social wellbeing in our communities.	Approach approved by Place leadership board.	March 2024  In progress
