1. Pay Policy Statement

1.1 The Localism Act 2011 requires local authorities to formulate and publish a pay policy statement on the pay of its Chief Officers and the relationship between these pay levels and the rest of the workforce, excluding schools. This policy statement must be approved annually by full Council by 31 March.

1.2 At its meeting on 27 March 2012, County Council agreed that the Governance Committee should have formal responsibility for the approval of posts at Chief Officer, Deputy Chief Officer and Assistant Director level with a remuneration package of £100,000 or more, provided the existing grade bands and terms and conditions are applied and any proposed exceptions to these are reported to full County Council. The actual appointment decision will continue to be made using existing delegations. Any proposed exceptions to this would require the approval of the full County Council.

1.3 The Localism Act 2011 requires local authorities to prepare an annual pay policy statement relating to the remuneration (total pay package) of its Chief Officers, as defined by statute, Deputy Chief Officers (and, by definition, Assistant Directors), the Monitoring Officer and its lowest-paid employees, excluding schools. The pay policy also has to state the relationship between the remuneration of Chief Officers and the remuneration of its employees who are not Chief Officers.

1.4 The Hutton report on Fair Pay in the Public Sector recommended the publication of an organisation's pay multiple as a means of illustrating the relationship between the remuneration arrangements for Chief Officers in comparison with the rest of the non-schools workforce. This is a calculation in the form of a ratio between the median average earnings across the organisation and the highest paid employee. In addition, in 2021, revised guidance on the publication of fair pay disclosures was issued, requiring the publication of additional data; the top to median, lower quartile and upper quartile staff pay multiples (ratios) as set out below.

1.5 Fair Pay disclosures (pay multiples) March 2023 compared with March 2022:

Date of Calculation	Pay Multiple (median)	Pay Multiple (25 th Percentile)	Pay Multiple (75 th Percentile)	% change in highest paid director's salary & allowances	% change in all employees' salary & allowances
March 2022	6.87 : 1	9.12 : 1	5.27 : 1	1.5%	5.7%
March 2023	6.52 : 1	8.26 : 1	4.95 : 1	0.9%	10.0%

GOVERNANCE

The fair pay disclosures data is published on our website with the Pay Policy Statement and will be updated in March 2024.

1.6 It is necessary to include definitions and the authorities' policies relating to levels and elements of remuneration including all additional payments and benefits in kind. The statement must also indicate the approach to the payment of Chief Officers on ceasing employment, including eligibility for the award of additional pensionable service and on the engagement or re-engagement of Chief Officers previously made redundant or accessing a local government pension.

1.7 The Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017 placed a new requirement on all employers with 250 or more employees to publish gender pay data on the gov.uk website by 30 March each year. The median gender pay gap for 2022/23 is 9.3%, compared to 13.9% for 2021/22; the gender pay report for East Sussex County Council is published annually on our website, along with the Pay Policy Statement. The report and figures for 2023/24 will be uploaded before 30 March 2024.

1.8 The Committee recommends the County Council to:

- ✧ approve the updated Pay Policy Statement for 2024/25 as set out in Appendix 1

23 January 2024
