

5. March scrutiny committee meetings

Scrutiny committees review their input into the budget setting and business planning process, receive feedback on any specific recommendations and consider any potential improvement to the way they are involved in the process for the coming year, including the information they receive and the way they scrutinise the planning process.

1. July scrutiny committee meetings

Scrutiny committees review the Q4 Council Monitoring report (backward look) and the State of the County report (forward look) with a focus on services within their remit. The Q4 report enables committees to scrutinise performance in relation to the Council's targets, financial performance and risk issues over the previous year. The State of the County report enables scrutiny to consider the key issues in the policy, financial and operating environment for the relevant service areas in the coming planning period. The committees identify any aspects of performance, policy, budget or service issues that they would like to explore in more detail through their autumn business planning (RPPR) agenda items or via their broader work programme.

Scrutiny input is embedded throughout the annual budget setting and business planning (RPPR) cycle

4. December RPPR Boards

The committees' RPPR Boards scrutinise the latest information on the overall financial position, including the provisional settlement if available, relevant draft updated Portfolio Plans and savings plans. Scrutiny comments and recommendations on financial and service plans for the coming year are agreed and submitted for consideration by Cabinet in January.

3. November scrutiny meetings

The committees continue to consider the latest available information on the policy and financial context, review any additional information requested in September and agree any further information required for committees' RPPR Boards.

2. September scrutiny meetings

The committees consider the latest available information on the policy and financial context for the coming year and review any additional budget or service information requested in July. Further information or scrutiny work is agreed as required.
